Return your complete reel with extra spools. It is best to remove the line (a good time to clean the line and backing), Bauer is not responsible for damaged line. Clean and pack your reel/x-spool, with this completed form, securely in a box and ship it insured to the above address (customer is responsible for all customs/duty charges). Please include a return postal shipping address and a email address for return tracking information. Form of payment must be enclosed for charges. You may phone in your credit card information. The normal service turn around time is 15 to 30 shop days. If needed sooner, call or email prior to shipment arrival.
